

## JINLI With MEGATRANS2018 Show

Bomb news. Finally, we're going to the MEGATRANS2018 show, from 10th May to 12th May at Melbourne Convention & Exhibition Centre. Our Booth Number is 5806. MEGATRANS2018 will be a key connection piece within the Australian and international supply chain, bringing together those who plan, implement and control the efficient, effective forward flow and storage of goods, services and related information from product inception to the end user.

We will bring ropes to the show, like [synthetic winch rope](#), [synthetic braided winch rope](#), [synthetic recovery slings](#), [synthetic double grommet slings](#), [recovery rope](#), [super recovery rope](#), [soft shackle](#), [tow strap](#), [snatch strap](#). And also, tow straps, recovery ropes, soft shackle as samples.

If you're our sincere clients, we are glad to meet you there. Finally, we'll have a face-to-face talk.

If you're about to give us a trial order and new to us, welcome to visit us there.
