KAFUWELL (Hangzhou) Industry Co., Ltd is a leading Manufacturer, Supplier and Exporter of hand tools, tool sets and cabinet tools. We are located in Hangzhou city Zhejiang China, covering a building area of more than 18,000 square meters.

We have been concentrating on production and development of hardware tools since 1998. We also got very good reputation both in domestic and overseas markets, by supplying consistently high quality products with competitive price and excellent service.

We mainly export goods to Europe, America, Australia, and Southeast Asia. Our hot selling items include tool cabinets, auto repair tools, household combination tools, mechanics tools, socket wrench sets, garden tools, lady tools, gift tools, blow-molded case and so on. Our quality standards are based on DIN, ANSI, CE, and GB Standards. Until now, we have got certificates of ISO9001, ISO45001, ISO14001, BSCI and FSC.

We own excellent manufacturing and packing equipments such as injection molding machines and numerical control blow molding machines. In 2020, we have successfully applied for "High-tech Enterprises" and got many patent certificates for tools.
