 - ◆ Select Manual/Auto mode
 - ◆ Select Test on load mode
 - ◆ Start engine if in manual or test modes
 - ◆ Mute alarm
 - ◆ Transfer to generator
 - ◆ Transfer to mains
- Operating parameters monitoring**
 - ◆ Water temperature
 - ◆ Oil pressure
 - ◆ Fuel level
 - ◆ Oil temperature
 - ◆ Charge alternator voltage
 - ◆ Battery voltage
 - ◆ Engine speed
 - ◆ Frequency
 - ◆ Generator voltage
 - ◆ Generator current
 - ◆ Generator earth current
 - ◆ Mains frequency
 - ◆ Mains voltage
- Remote alarm**
 - ◆ Warning alarm
 - ◆ Shutdown alarm
 - ◆ Electrical trip alarm
- Unique QR code, easy to get all information of MPMC power generation.**
