

	Product Category:	<input type="text" value="wave filtering"/>
	Product Name:	<input type="text" value="Toroidal Choke Coils"/>
	Product Number:	<input type="text"/>
	Specifications:	<input type="text"/>
	Form of Packing:	<input type="text"/>
	Function Description:	<p>FEATURES: Since a toroidal core is employ leakage is low and acoustic noise is minimal. Compact size , High performance , Low cost , No gap structure eliminates leakage magnetic flux. OTHER APPLICATIONS medical equipment, vending machines, TVs, Computers, Vcrs, display units fax.</p>
