

Electric Hydraulic Power Pack

ANTENG electric hydraulic power pack is good tooling of civil construction, used for pile breaker perfectly, low cost

 Efficient
  Convenient
  Intelligent
  Economic

FEATURES:

1. Intelligent design of changing from wired to wireless control easily
2. Driving pile breaker by electric power ,more convenient
3. With variable power output ,more efficient and environment friendly
4. First-class air cooling make motivation for long time
5. Using high quality parts can be trustworthy

TJ37 SPECIFICATION

Working medium	/	32# or 34# anti-wear hydraulic oil
Fuel tank volume	L	470
Max. Flow rate	L/min	240
Max. Operating pressure	bar	315
Motor power	KW	37
Motor frequency	HZ	50
Motor voltage	V	380
Motor working speed	rpm	1460
Working weight (full tank)	kg	1400
Wireless control distance (m)	m	200
Applicable pile breaker model		TJ380,TJS500S
